

**District 3  
Camarillo/Santa Paula/Fillmore/North Oxnard**

Julie B Hupp	I'm Julie Hupp and I'm running for Central Committee. I grew up in Ventura County, so I know how special our county is. I work in the legal field and real estate. I have always been actively involved in our community. I currently serve on school board, my local MAC board, as well as volunteering within the agriculture community and other service organizations. I have worked on numerous campaigns. As a Hispanic conservative I would be an asset to this committee. My goal is to continue to register individuals to vote, engage our Hispanic community, fundraise and get candidates elected.
Dirk Z Lay Retired Naval Aviator	The Republican Central Committee (RCC) fails to support LOCAL candidates - City Council, Parks, Schools. We can do better! Recruit <i>Precinct Captains</i> for every neighborhood. <i>Register NEW</i> Republicans to win more in November and beyond. Local government meetings - <i>show up, speak up!</i> Winning LOCAL races - easier than gerrymandered DC/Sacramento districts. Voters who learn to like low drama conservative LOCAL governments will more likely vote Republican in future races for DC/Sacramento."
Douglas Blois Consulting Civil Engineer	My name is Douglas Blois. I am a lifelong business owner. I have been married to Dian for 45 years, and we have 4 successful sons and 10 beautiful grandchildren together. I have seen friends switch to voting Independent, and others leave the state. I am not ready to give up on the Republican Party here in Ventura County. My goal is to revitalize the Republican Party, starting at the local level. I plan on holding regular 'park days' throughout District 3, advocate for rotating Central Committee meetings throughout the County, increase voter registration & participation on the precinct level.
Nicholas E. Bednarski Retired Medical Physician	I'm Nicholas Bednarski, running for District 3 Ventura County Republican Central Committee. A retired physician, native Californian, and son of a legal immigrant, I'm a lifelong Constitutional conservationist. I intend to help reform the Committee to identify and promote conservative candidates for all local offices elected or appointed, as well as state offices. That requires the Committee to act more forcefully by developing a library of resources for local candidates such as printers, direct mailers, other campaign source materials, and up to date lists of local Republicans for contact, and actively seeking, recruiting, and training such candidates. Vote for me!
David P. Schlagen Incumbent	"My name is David Schlagen and I'm running for re-election to the Ventura County Republican Party Central Committee for District 3. During my time on this Committee, I've registered citizens, recruited conservative republican candidates to run for office, trained and endorsed them and assisted in getting them elected. I'm very proud in assisting us to get the first Republican majority on the VC Board of Supervisors for the first time in 40 years! As your District 3 Chairperson, I'll continue to lead the district in getting additional Republicans elected into office. I humbly ask for your vote."
Pamela Krausz Incumbent	For too long Republicans have been on the losing end of elections. We've enjoyed some victories, but overall, we are discouraged and disappointed with the general outcomes. I'm a fighter, which is why I became politically involved. I believe to preserve what's left of our freedoms and rights; we must persist in that fight. Uniting concerned freedom lovers is the only way to overcome the Democrats' rule. Working numerous campaigns, I have "boots on the ground" experience. It takes dedication and hard work, aptitudes of mine. I've accomplished duties for this office by recruiting and supporting candidates in my term.
